

Investment Option Form.

What's this form for?

Use it to change how you'd like your current Virgin Super account balance and future contributions invested. For the purpose of this form "current balance" consists of monies already invested with Virgin Super up to and including the date that this form takes effect. "Future contributions" consist of all monies received after the date this form takes effect. Please note that when switching investments, we buy and sell shares on your behalf. If you'd like to learn more or view our Product Disclosure Statement (PDS), our website – virginmoney.com.au – has loads of info about how this works.
