Your Travel Insurance Checklist

WHILE IT'S EASY TO GET CAUGHT UP IN THE FUN OF TRAVELLING, THERE ARE A FEW THINGS MORE IMPORTANT THAN YOUR PLANE TICKET OUT OF HERE.

- ☒ Jot down your travel insurance policy number before you go. You'll need it if you want to make a claim.
- ☒ Scan copies of important travel documents like your passport, visa and credit cards and save them in multiple places – printed, email, phone and with family and friends just to be extra safe.
- ☒ Photograph any expensive items you're taking with you (such as jewellery and cameras) and keep copies of receipts just in case. If applicable, make note of any serial numbers.
- ☒ If you happen to buy something expensive on your travels, remember to photograph it and keep the receipt in a safe location.
- ☒ Finally, wherever you are, if you need to make a claim, we're always here to help. Just call us on one of the numbers on the back.
