Your Duty Not to Make a Misrepresentation

What you need to tell us

We will ask you questions:

- when you apply for insurance
- before we agree to renew, extend, vary or reinstate your policy.

Your answers will help us decide whether to insure you, and on what terms.

Each question we ask you is important. Please answer each one fully, accurately and honestly.

Your duty to us

You have a legal duty under the Insurance Contracts Act to take reasonable care not to make a misrepresentation to us. This duty first arises when you enter into an insurance contract with us.

Before we agree to renew, extend, vary or reinstate your policy, we may remind you of your previous answers to our questions. Your duty extends to telling us whether any of this information has changed.

Failing in your duty can seriously affect your cover

If you fail in your duty, we may, where permitted by law, do either or both of these:

- cancel your policy
- reduce the amount we pay you if you make a claim.

If your failure is fraudulent, we may refuse to pay a claim and treat the policy as if it never existed.

When You Receive the Policy

Make sure the information is correct

Please check all the information in your Insurance Certificate and policy documents, including your previous answers to our questions, and notify us, as soon as practicable, if any information is incomplete or inaccurate.

Cooling-off period

If the cover you have chosen is not suitable and no claim is made, you can cancel this policy within 21 days of the purchase or renewal date and receive a full refund of the premium you have paid.

Waiting Period for Bushfire, Storm, Cyclone or Flood

You are not covered under this policy for any loss or damage that is caused by bushfire, storm, named cyclone or flood within the first 72 hours of the purchase of this insurance cover.

However, subject to the policy terms and conditions, we will cover loss or damage that occurs where:

- this policy commenced immediately following the expiry of a policy that provided the same level of cover for the same car, or
- this policy commenced on the same day you took possession of the car.

Permitted Use of the Car

You will have no cover if the car is used for purposes which you have not declared to us or which are included in 'Use that is never covered' below. The permitted use, which you have selected from the following categories, is shown on your Insurance Certificate.

Private Use or Private and Commuting Use is use for social, domestic and pleasure purposes as well as travelling between home and a regular place of work only.

Private and Occasional Business Use is 'Private and Commuting Use' above, and also includes occasional business use by the regular driver or their spouse only. Occasional business use means the car is not registered for business use and does not form an essential part of earning an income.

Private and Business Use is 'Private and Commuting Use' above, and also includes use for your business or occupation or the business or occupation of the regular driver or their spouse. You must provide us with the full details of all intended drivers that will use the car for business purposes for them to be covered.

Use that is never covered:

- carrying passengers for payment, including taxis and/or ridesharing (e.g. Uber)
- carrying or delivering other people's goods for payment, whether as a contractor or otherwise (e.g. parcel, food delivery)
- driving tuition for payment
- unpaid driving tuition of a person who is:
 - excluded on the Insurance Certificate by name or age, or
 - a household member that is not listed on the Insurance Certificate
- hiring the car to other people, including under peer to peer car sharing arrangements.

Use that is always covered:

- Private car sharing and voluntary home or community service, provided that no profit is made from such use.

Types of Cover

Your Insurance Certificate shows which of these types of cover you have:

Comprehensive covers your liability for damage caused by the car to other people's property, plus cover for the car up to the value shown on your Insurance Certificate.

Third Party Property Only covers only your liability for damage caused by the car to other people's property, plus a limited amount of cover for the car if damaged in a no fault accident with an uninsured vehicle.

Third Party Property, Fire and Theft covers the same as 'Third Party Property Only', plus loss or damage to the car only if it is stolen or catches fire. It does not cover damage caused by the attempted theft of the car or items being stolen from it.

Cover Part 1 – Cover for the Car

This section applies only if the type of cover shown on your Insurance Certificate is 'Comprehensive'.

Child Seats or Capsules – For the event(s) and amount covered, please refer to the section entitled 'Additional Benefits' in PDS Part B.

Damage to the Car – If the car is accidentally damaged, we will pay up to the maximum amount shown on your Insurance Certificate. If the car is unsafe to drive as a result of the damage, we will also pay the cost of recovery and towing of the car to the repairer or holding facility nearest to where the accident occurred or that we recommend or nominate. We will also pay for the cost of storage of the car at this or another agreed location.

We will not pay for any costs associated with the storage of the car before you make a claim with us or after your claim has been paid.

Accidental damage includes, but is not limited to, damage caused by:

- ✓ Storm
- ✓ Flood
- ✓ Hail
- ✓ Fire
- ✓ Collision
- ✓ Attempted theft or malicious act.

Personal Effects – For the event(s) and amount covered, please refer to the section entitled 'Additional Benefits' in PDS Part B.

Replacement of Keys – If the keys, remote locking devices or proximity keys belonging to the car are stolen and not recovered, we will pay up to the maximum amount shown in PDS Part B to replace them and recode the locks. We will only pay if you have reported the theft to the police.

Trailer – In the event of a collision where the car is towing a trailer that belongs to you, we will pay for the damage to the trailer up to a maximum of the amount shown in PDS Part B, but we will not cover the trailer's contents.

Emergency Transport and Accommodation – If we pay a claim for damage to the car, we will also pay for the driver and occupants to be transported to the address where the car is normally kept at night. Where transport is unavailable, we will pay for the cost of their temporary accommodation.

The maximum cover under this section is the amount shown in PDS Part B. If your daily transport and accommodation costs are more than this amount, you will have to pay the additional costs.

Hire Car Following a No Fault Accident – If we accept your claim for a no fault accident, we will arrange and pay the daily cost for a hire car that meets your needs. You must not arrange your own hire car without first obtaining our approval. If you do, then we may not cover the full hire car costs, and only reimburse you the amount we would have authorised had you spoken to us first.

If we are unable to arrange a hire car for you, we will reimburse you what it would cost you to fulfil your usual day to day mobility requirements, up to a maximum of \$75 per day.

We will pay for this benefit until the first of the following occur:

- the car is repaired, or
- your claim is paid.

Where the car is safe to drive, this benefit will only be available from the date:

- the authorised repairs are due to start, or
- we assess the car to be a total loss.

We will not pay any additional costs of hiring, including but not limited to fuel, insurance or damage to the hire car. You need to agree to the hire car company hiring conditions (including paying a rental bond, insurance and any excess if you damage the hire car) and collect and return the hire car.

If we receive additional information about the accident and, as a result, decide that the driver of the car was partially or entirely at fault, we will:

- advise you of this decision as soon as possible, and
- not pay for the hire car under this benefit from the date we advise you of the decision.

This policy benefit does not provide you with a hire car following:

- an at fault claim – you need to have taken the 'Accident Hire Car' option for a hire car following this type of claim, or
- theft – the 'Hire Car Following Theft' policy benefit provides reimbursement for a hire car following this type of claim.

New Car Replacement – If you purchased the car new or as a demonstrator model from a licensed motor vehicle dealer who was the first registered owner and with less than 5,000 kilometres at the time of purchase, and it becomes a total loss within the period or kilometre limit shown in PDS Part B, we will replace it with a new one of the same make, model and specification. We will also pay the first 12 months cost of registration and compulsory third party insurance for the replacement car.

If a new replacement car is:

- not available in Australia within 90 days, we will pay you the amount it would cost you to replace the car with a new one of the same make, model and specification, or
- no longer available in Australia, we will pay you the amount you originally paid for the car.

In both cases, we will include an allowance for the first 12 months cost of registration and compulsory third party insurance, as well as stamp duty and dealer charges and delivery.

This benefit does not apply if the car had any unrepaired accident or hail damage which occurred prior to you insuring the car with us.

Cover Part 2 – Damage to Other People's Property

This section applies to all types of cover.

We will cover your legal liability for accidental damage to someone else's property caused by use of the car, substitute car or a trailer or caravan attached to it. The maximum we will pay for the total of all liability claims (including legal costs) arising from one event is \$20 million (including GST), less any applicable excess.

We will extend this cover to:

- other licensed drivers permitted by this policy and using the car with your consent, and
- any passenger in the car.

If we accept your liability claim, we will also pay for your legal costs if:

- we instruct our lawyers to act in connection with the claim,
- you incur the legal costs with our prior authorisation, or
- it was reasonable for you to incur the legal costs prior to us authorising them.

We will not pay for:

- damage to property owned by or in the control of you or the driver, or anyone that normally lives with you or the driver
- any claim for, or related to, death or bodily injury
- any loss or damage to a substitute car
- any fines, punitive, exemplary or aggravated damages awarded against you or the driver
- any liability arising from a failure to notify us of any third party demand
- any liability caused by the use of a substitute car covered by another insurance policy
- any liability that is insurable under a compulsory statutory scheme regardless of the amount recoverable under it
- any liability arising from any agreement or contract you enter into, unless the legal liability would have existed regardless of the agreement or contract.

Cover Part 3 – Fire and Theft Cover for the Car

This section applies only if the type of cover shown on your Insurance Certificate is 'Comprehensive' or 'Third Party Property, Fire and Theft'.

Loss or Damage to the Car

If the car is stolen or catches fire, we will pay up to the maximum amount shown on your Insurance Certificate. If the car is unsafe to drive as a result of the damage, we will also pay the cost of recovery and towing of the car to the repairer or holding facility nearest to where the accident occurred or that we recommend or nominate. We will also pay the cost of storage of the car at this or another agreed location. We will not pay for any costs associated with the storage of the car before you make a claim with us or after your claim has been paid.

Hire Car Following Theft

If we accept your claim for the theft of the car, we will reimburse you the reasonable daily cost of hiring a hire car that meets your needs from the date of the theft, until the first of the following occurs:

- the car is recovered undamaged and returned to you,
- the car is repaired,
- your claim is paid,
- 14 days of hire have been used, or
- you reach the maximum payable amount shown in PDS Part B.

We will not pay any additional costs of hiring, including but not limited to fuel, insurance or damage to the hire car. You need to agree to the hire car company hiring conditions (including paying a rental bond, insurance and any excess if you damage the hire car) and collect and return the hire car.

Cover Part 4 – Uninsured Motorist Damage

This section applies only if the type of cover shown on your Insurance Certificate is 'Third Party Property Only' or 'Third Party Property, Fire and Theft'.

If the car is involved in a no fault accident with an uninsured vehicle, we will cover your loss or damage to the car, up to its market value. If the car is unsafe to drive as a result of the damage, we will also pay the cost of recovery and towing of the car to the repairer or holding facility nearest to where the accident occurred or that we recommend or nominate. We will also pay for the cost of storage of the car at this or another agreed location. We will not pay for any costs associated with the storage of the car before you make a claim with us or after your claim has been paid.

The maximum we will pay under this section is \$5,000.

We will attempt to contact the driver of the other vehicle to determine:

- who was at fault in the accident, and
- if the vehicle was insured.

We will not provide this cover if:

- we can, within a reasonable timeframe, confirm that the other vehicle is insured, or
- the other vehicle is owned or registered in your name, or in the name of any relative or person who lives with you.

General Exclusions

It is important to understand that insurance policies do not cover every eventuality. You should read your policy and be aware of what is excluded from cover and the conditions to be observed. Please refer to the sections entitled 'General Exclusions' and 'Conditions of Cover'.

General exclusions applying to the whole policy

This policy does not cover any loss, damage or liability arising out of the use or operation of the car:

- by any household member not listed on your Insurance Certificate
- by any other driver that you selected to be excluded, or we required to be excluded, as shown on your Insurance Certificate
- by any driver excluded by age, other than for the commercial servicing, repairing or valet parking of the car
- by anyone without your consent, unless you make a formal report to the police or relevant authority and, if required, assist them in prosecuting the responsible person(s)

 - did not hold a valid licence or permit to drive in Australia, or held such a licence but did not comply with its conditions,
 - was under the influence of alcohol or any drug,
 - was in excess of the lawful blood alcohol level limit in force where the car was being driven, or
 - refused to take a legal test for alcohol or any drug

However, this exclusion will not apply if the driver was not named in the policy, and you did not know or could not have reasonably known of the above circumstances. In this case we will pay your claim, but the driver of the car will not be covered for any loss or liability, and we may recover all amounts we have paid in settlement of your claim from the driver of the car

- for carrying passengers for payment, including taxis and/or ridesharing (e.g. Uber)
- for carrying or delivering other people's goods for payment, whether as a contractor or otherwise (e.g. parcel, food delivery)
- for paid driving tuition
- for unpaid driving tuition of a person who is:
 - excluded on the Insurance Certificate by name or age, or
 - a household member that is not listed on the Insurance Certificate
- for hiring to other people
- in connection with the motor trade other than for the purpose of commercial servicing or repairing the car
- for racing, trials, tests, contests, rallies, or any accident occurring on a racetrack
- for any unlawful purpose

- in an unsafe, unroadworthy or overloaded condition, unless this condition did not contribute to the loss or damage
- to carry explosive, flammable, toxic, corrosive or polluting goods unlawfully or for business purposes
- if you are not with the car when it is being shown or test driven for sale and it is stolen
- if the driver of the car did not remain at the scene of the accident when required by law to do so.

You are not covered under this policy for:

- any improvements to the car beyond its condition before the loss or damage occurred
- any reduction in the value of the car following repair
- tyre damage caused by punctures, cuts or bursts
- any consequential loss of a financial or non-financial nature, such as that resulting from loss of use of the car or any personal property
- general wear and tear, abuse, corrosion, rust or depreciation, including damage that has occurred over a period of time, such as stone chips and deterioration of the car's paint and interior
- mechanical, structural, electrical, electronic, computer or computer program failures, malfunction or breakdowns, including those that:
 - have occurred over a period of time, or
 - are unexplained
- incidents occurring outside Australia
- loss, damage or liability:
 - deliberately caused by any insured person or any person acting on their behalf
 - caused directly or indirectly by cyber-attack, the use, existence or escape of any nuclear or radioactive material, or by any act of terrorism involving nuclear, biological or chemical weapons, pollution or contamination
 - caused by the discharge or escape of any oil, coolant, pollutant or contaminant from the car other than as a result of a collision
 - directly or indirectly arising from or caused by, related to or associated with:
 - a communicable disease, or the threat or perceived threat of any communicable disease
 - any loss or alteration of, damage to, or reduction in the functionality, availability or operation of a computer system

 - the inhalation of, or fears of the consequences of exposure to or inhalation of, asbestos fibres or derivatives of asbestos
 - caused directly or indirectly by war, invasion, act of foreign enemy, hostilities (whether war is declared or not), civil war, rebellion, revolution, riot, civil commotion, insurrection, military or seized power

- resulting from lawful repossession or confiscation, or by nationalisation or requisition under the order of any government or public authority
- caused as a result of cleaning, modifying, repairing, servicing or restoring the car
- if the car has any modification from the manufacturer's original design without our written agreement
- arising out of the use of an incorrect type of fuel or incorrect use of additives (e.g. AdBlue)
- caused by you or the driver of the car acting in a wilful or reckless manner. However, this exclusion will not apply if you did not know or could not have reasonably known the driver of the car would have acted in such a manner. In this case we will pay your claim, but the driver of the car will not be covered for any loss or liability, and we may recover all amounts we have paid in settlement of your claim from the driver of the car.

Conditions of Cover

You must ensure that:

- you keep evidence of ownership and value of all the insured property to support any claim

- reasonable steps are taken to prevent loss or damage, including after an accident, breakdown or theft recovery, such as:

 - one or more airbags have deployed,
 - the doors, bonnet or boot need to be secured so that they remain closed,
 - fluid is leaking from the car, or

- require you discontinue any recovery action, or any proceedings you have commenced
- refuse a claim for any loss which is covered under a contract arranged by a person other than you.

Changing the Policy

Change of insurance details during the period of insurance

During the period of insurance, you must tell us as soon as practicable:

- if you sell or replace the car, or there is a change in ownership of the car,
- if there are any changes to:
 - the drivers of the car, including the regular driver or other listed drivers
 - household members who may drive the car
 - use of the car
 - the place where the car is normally kept or parked at night
 - your contact details, including postal address, email address and phone/mobile number,
- if you plan to make, or have made, any modifications to the car, and
- if you become aware of any incomplete or inaccurate details on your Insurance Certificate or policy documents.

If your details do change, the premium, excess and terms and conditions of the policy may also change, or we may no longer be able to insure you.

If you do not comply with your policy obligations to inform us about changes, we may, where permitted by law:

- refuse to pay a claim,
- reduce the amount we pay you if you make a claim, and/or
- cancel the policy.

Premium changes of \$1 or less

When a change is made to your policy that results in an additional premium or refund of \$1 or less:

- If you pay annually, it will not be charged or refunded to your nominated account.
- If you pay by instalment, we will adjust any remaining instalment(s) to account for the amount owing or to be refunded. If the final instalment has already been paid, it will not be charged or refunded to your nominated account.

If you replace the car with another

When you permanently replace the car with a similar one, cover for the previous car ends at the same time. Your replacement car automatically has the same cover as this policy for 14 days from the purchase date, but not exceeding the market value or the purchase price, whichever is lower.

Renewing the Policy

To ensure continuing protection we will normally send you a renewal offer at least 14 days before the renewal date of this policy. It will show the premium and excess for the new period, a record of what you have told us previously and may also include notice of any changes to the terms and conditions of this policy.

Check that your information is correct

When you receive a renewal offer, you must check that all the information contained in the renewal offer, including your previous answers to our questions, is complete and accurate and tell us, as soon as practicable, if any details need to be added or changed. This includes telling us about any changes that occurred during the period of insurance that you have not yet told us about, please refer to the section entitled 'Changing the Policy'. You must tell us about any changes before the renewal date.

For example, please review:

- listed and excluded drivers, and tell us about any new household members or other drivers you want included,
- disclosed claims, driving offences, licence suspensions and convictions of all listed drivers,
- use of the car, and

contact us to inform us of any changes.

If your details do change, the premium, excess and terms and conditions of the policy may also change, or we may no longer be able to insure you.

If you do not comply with your policy obligations to inform us about changes, we may, where permitted by law:

- refuse to pay a claim,
- reduce the amount we pay you if you make a claim, and/or
- cancel the policy.

Automatic payment arrangement/automatic renewal

If you wish to take up our offer of renewal, and your information is correct, you will not have to do anything else, and we will deduct/charge the renewal premium from your nominated account/credit card, unless you have opted out of the automatic payment arrangement.

If you do not wish to take up the offer you must contact us before the renewal date to advise us, unless you have opted out of the automatic payment arrangement.

Your payment details

Please check that your nominated account/credit card details shown on the renewal offer are correct.

If you have opted out of the automatic payment arrangement

If you have opted out of the automatic payment arrangement, and you wish to take up our offer of renewal, you must accept our offer of renewal on or by the renewal date. If you do not, you will have no cover from the renewal date.

If you contact us after the renewal date, we may issue you with a new policy commencing on or after the date you contact us. The premium, excess and terms and conditions of the new policy may change from the renewal offer or we may no longer be able to insure you.

If we do not offer renewal

If we do not offer to renew your policy, we will send you a notice of expiry.

Cancelling the Policy

By you – You may cancel the policy at any time. If you cancel this policy within 21 days of the purchase or renewal date and no claim is made ('cooling-off period') you will receive a full refund of the premium you have paid.

If you cancel the policy outside the cooling-off period, we will refund any premium you have paid for the unused portion of your policy, less the early cancellation fee as shown in PDS Part B and less any government taxes and charges. We will not refund any amount of \$1 or less.

If you pay your premium by instalments, any premium still owing at the time of cancellation must be paid to us.

By us – We can only cancel your policy when it is permitted by law, e.g. if you do not perform your obligations under the agreement. In such instances, we will refund what is left of the premium you paid, and we will send you written notice of the cancellation to the address last known to us. We will not refund any amount of \$1 or less.

Joint Policyholders and Authorised People

If multiple people are named as joint policyholders, each person is authorised to act on behalf of all policyholders. You may elect to appoint someone, such as a family member, to represent you as an authorised person with the same authority as a policyholder.

We will treat a statement, act, omission, claim or request by any policyholder or authorised person as having been made by all policyholders or authorised people. This includes requesting to change the policy, cancel the policy or make a claim under the policy.

The Cost of Insurance

The price we quote for insurance is at our sole and unrestricted discretion. It will be based on the profile of the risk to be covered and any other factors we may choose.

Risk factors that may affect your premium

In addition to the product option and type of cover you select, there are many factors that may affect your risk profile and as a result, determine the price you pay for insurance.

When determining the premium you pay, we also consider:

- the risk factors that apply to you,
- your No Claim Discount,
- policy options you have selected,
- your excess(es),
- any discounts that apply,
- intermediary commissions, and
- government charges, taxes or levies.

Minimum premiums may apply.

Although your risk profile, and associated factors, may not change from year to year, it is likely that the renewal price of your insurance will increase or decrease.

For more information about how we determine the premium you pay, please refer to our Premium, Excess and Discount Guide which is available on our website or by calling us.

Paying annually or by instalment

You can pay annually or by instalments. If you choose to pay by instalments the total premium may be higher, and fees will apply. We will tell you both the total annual and instalment amounts, so you will know the difference. Payment details and due dates will be advised to you. The total payable includes government charges.

For more information about paying annually or by instalment, please refer to our Premium, Excess and Discount Guide which is available on our website or by calling us.

If you do not pay for the policy

- If an instalment is not paid, we will send you a missed payment notification, which informs you of our intention to cancel the policy if the instalment remains unpaid.
- If an instalment is overdue by 14 days or more, we can refuse to pay a claim.
- If an instalment is overdue by one month or more, the policy is cancelled automatically without further notice to you.

Making a Claim

How we may settle your claim

If you make a claim with us, we may settle your claim by:

- repairing the car,
- paying you the reasonable cost of repairing the car, or
- paying your claim as a total loss.

Recovery, relocation, towing and storage of the car

When you make a claim with us, you authorise us to recover, relocate, tow and store the car to assist with the inspection, repair and settlement of your claim. We will arrange and pay for the cost to tow the car between locations, including any necessary storage.

We will not pay for any costs associated with the storage of the car before you make a claim with us or after your claim has been paid.

Excess payable on claims

An excess is the amount you must pay when you make a claim.

The total excess you may have to pay is the sum of the Basic Excess and all of the Additional Excesses which apply to the driver of the car at the time of the incident.

The excesses that may apply are shown in PDS Part B and stated on your Insurance Certificate.

When you make a claim, we will tell you:

- whether an excess is applicable,
- the total excess amount, and
- when and where you need to pay the excess.

Depending on the circumstances of the claim, excesses might be payable directly to us or we might deduct the excess from any amount we pay you.

For more information about the excesses that apply to your policy, please refer to our Premium, Excess and Discount Guide which is available on our website or by calling us.

Excess waived

You do not have to pay any excess if the car is involved in a no fault accident.

No Claim Discount (NCD) after a claim

When we are preparing the terms of your renewal, we will review any claims you have made and update your NCD. We take into consideration any claims you have made since we last calculated your renewal.

If there are no at fault claims made on your policy, your NCD will increase by one level until it reaches Rating 1 (maximum NCD).

If you have made one or more at fault claims, your NCD will reduce two levels for each claim and the cost of your insurance will increase accordingly.

If you make a new claim or an existing claim is updated after we prepare the terms of your renewal, the impact of this will be considered at your next renewal.

Claims for the following will not reduce your NCD:

- window glass only,
- an accident that is a no fault accident, or
- damage caused directly by storm, wind or hail.

Different terms apply if 'NCD Protection' is shown as included on your Insurance Certificate (see PDS Part B).

For more information about NCD, please refer to our Premium, Excess and Discount Guide which is available on our website or by calling us.

Goods and Services Tax (GST)

If you are registered for GST and therefore were entitled to claim an input tax credit (ITC) on your premium, then this ITC entitlement needs to be provided to us each time you make a claim. A full GST entitlement would be a 100% ITC entitlement. If you give us incorrect GST information, we will not be responsible for the GST liability you might incur.

A claim payment made for a total loss will be reduced by GST to the extent of your ITC entitlement, if applicable. Other claim payments may also have your ITC entitlement taken into account.

Any claim payment made where GST is deducted as described above, will be considered to be made in full.

Repairing the Car

If you do not have the Choice of Repairer optional cover

If we authorise repairs to the car, we will:

- appoint a repairer to conduct the repairs, and
- consult with the repairer to determine the most suitable method of repairs based on the damage to the car.

If you have the Choice of Repairer optional cover

If the 'Choice of Repairer' option is shown as included on your Insurance Certificate, you may choose to nominate your preferred repairer, which may be a repairer from our repair network.

If your preferred repairer is not a repairer from our repair network, we will:

- require you to provide us with a quotation for the repairs to the car from your preferred repairer, who must be appropriately qualified to carry out the repairs,
- consult with your preferred repairer to determine the most suitable method of repairs based on the damage to the car, and
- review the quote to ensure:
 - it is competitive, based on the reasonable cost to repair the car, and
 - that the repairs will be completed to a satisfactory standard.

However, if we consider a repairer's quotation is not competitive, or that the repairs would not be completed to a satisfactory standard, we may decide not to authorise repairs and offer you the option of:

- having the car repaired by an alternative repairer chosen by us, or
- paying you the reasonable cost to satisfactorily repair the car.

If the car is unsafe to drive, we will pay the cost to tow the car to your preferred repairer up to a maximum of 100 kilometres. If your repairer is further than this, you will have to pay the cost of the additional towing.

Authorising the repairs

- We will only pay for repairs authorised by us. You, or any other person, must not carry out repairs to the car without our authorisation, except for essential repairs of up to \$500 to allow the car to be driven immediately after an accident.
- You must allow us to inspect the car at a suitable location before repairs are undertaken or the damaged car is sold.
- You must allow us to arrange for the car to be relocated or towed to a repairer or location nominated by us.
- You must not give anyone else an interest in this policy including assigning the rights to repair the car to another party without our written agreement.

If you do not comply with these obligations, we may reduce or refuse to pay your claim.

Parts used to repair the car

Our duty is to return the car to the condition it was in immediately before the damage occurred.

When repairing the car we will use parts that:

- meet the requirements of Australian Design Rules,
- are consistent with the car's age and condition, and
- otherwise do not affect the safety, structural integrity or utility of the car.

These parts may be:

- new,
- recycled, or
- aftermarket.

We will not pay for any additional costs as a result of there being a problem obtaining parts or if the repairs are delayed. If a part is not available, we may pay you the last known price from the manufacturer or supplier, or the list price of the closest equivalent part that is available.

Undamaged areas

We do not replace, repair or repaint undamaged areas of the car to create a uniform appearance.

For example, we will not pay to paint adjacent panels or other parts not damaged as a result of the incident, or replace all four wheels if only one is damaged.

If we do agree to additional repairs, painting or parts which improve the condition of the car, you may have to pay for the cost of the improvement.

Unrepaired damage

If your car had any unrepaired damage, wear and tear, abuse, corrosion or rust before an accident, then you may also need to contribute to the repair costs. You may need to contribute when the unrepaired damage results in us:

- having to repair or paint more areas of your car than those affected by the accident, or
- needing to repair or replace more parts than we would have otherwise had to.

For example, if a panel that needs to be repaired and repainted as a result of the incident has rust on it, before commencing repairs, we would ask for a contribution to cover the cost of rectifying the rust.

In these cases, we would discuss and agree the contribution with you prior to proceeding with the repairs.

Damaged identification plate or label

If the car is fitted with an identification plate or label, such as a VIN plate, and it is damaged as a result of an accident that we agree to cover you for, we will source a replacement from the car's manufacturer. If we are unable to source a replacement, we will attempt to obtain written confirmation of the car's identity from the manufacturer and repair the car without replacing the identification plate or label.

Repair guarantee

We will guarantee the quality of repairs authorised by us for as long as you own the car. To be eligible for this guarantee:

- you, or any other person, must not carry out repairs to the car without our authorisation
- you must allow us to inspect the car at a suitable location before any repairs are undertaken
- you must not give anyone else an interest in this policy including assigning the rights to repair the car to another party without our written agreement.

Paying You the Cost of Repairing the Car

We will pay you the reasonable cost to satisfactorily repair the car, if:

- you disagree with our assessment of the repairs to the car,
- you have the 'Choice of Repairer' optional cover, and:
 - the repairer you chose provides a quote that is not competitive, or
 - we consider the repairs would not be completed to a satisfactory standard, or
- parts needed are not available.

When determining the reasonable cost to satisfactorily repair the car, we will consider:

- the method of repairs that will, as much as possible, return the car to the condition it was in immediately before the damage occurred,
- current Australian repair industry rates, and
- the use of parts that meet the Australian Design Rules - see 'Parts used to repair the car'.

We may also obtain a quote from another licensed repairer to help us determine the reasonable cost to repair the car.

If we pay you the reasonable costs to repair the car, we will deduct from the settlement:

- any excess that applies, and
- an adjustment based on your GST Input Tax Credit entitlements, if applicable.

Paying Your Claim as a Total Loss

The car is a total loss if it is:

- stolen and not recovered, or
- damaged to the extent that, having considered all available information and relevant laws, it is reasonable for us to decide that it would be unsafe or uneconomical to repair.

If the car is a total loss, we will:

- pay you the market value,
- pay you the agreed value as shown on your Insurance Certificate, or
- replace the car or, where this is not possible, pay you an amount equivalent to the replacement cost or the original purchase price, if the New Car Replacement benefit applies.

Paying you the total loss settlement

If we pay you the market value or agreed value as shown on your Insurance Certificate, or pay you an amount equivalent to the replacement cost or the original purchase price under the New Car Replacement benefit:

- we will deduct from the total loss settlement:
 - any excess that applies,
 - any remaining premium for the full period of insurance if you pay your premium by instalments, and
 - an adjustment based on your GST Input Tax Credit entitlements, if applicable,
- the car becomes our property and we keep the proceeds of any salvage sale,
- cover under this policy ceases and there is no refund of the premium paid, and
- we will provide you with the necessary documentation to enable you to apply for a refund of the unused portion of your registration and compulsory third party insurance.

Replacing the car

If we replace the car under the New Car Replacement benefit:

- you must pay any excess that applies,
- you must pay any remaining premium for the full period of insurance if you pay your premium by instalments,
- the car becomes our property and we keep the proceeds of any salvage sale, and
- cover under this policy ceases and there is no refund of the premium paid.
