PAYING BY DIRECT DEBIT

Your account number:

- Minimum Payment Due and any Overdue Amount and Overlimit Amount ¹ (as required by your Account Terms and Conditions)
- The full closing balance shown on my monthly statement (on Credit Card only) ²
If you don't tick a payment option, we'll automatically debit the Minimum Payment Due option.

¹ The amount debited will be the sum of the Minimum Payment Due and any Overdue Amount appearing on the last monthly statement less any payments received between the date of the monthly statement and the date on which the Direct Debit payment is effected; plus any Overlimit Amount appearing on the last monthly statement.

² The amount debited will be the Closing Balance appearing on the last monthly statement. By selecting this option, your Direct Debit payment will not be reduced or skipped if you make a manual payment to your Account.

Just so you know: We may cancel this authority without notice should two or more payments be dishonoured. Manual payments of at least the Minimum Payment Due and any Overdue Amount plus any amount over your credit limit will then be required as per your Account Terms and Conditions.
