The Offer is a points-based promotional offer available to customers who meet the eligibility and qualifying criteria in relation to a Virgin Money Loaded Home Loan and/or a Virgin Money Go Account as set out in this Addendum.

These products are issued by Virgin Money Australia, a division of Bank of Queensland Limited ABN 32 009 656 740 (“**Virgin Money**”). Velocity does not hold an Australian Credit Licence or an Australian Financial Services Licence, and is not a credit representative or authorised representative of Virgin Money.

For the purposes of this Offer, Virgin Money Points:

- (i) are awarded by us subject to you meeting the applicable requirements in this Addendum and in accordance with the Rewards Terms; and
- (ii) will be converted to Velocity Points, subject to the provisions of section 5.

4. Velocity Membership

Eligible Customers will be requested to provide their Velocity Membership Number when applying for their Eligible Product, as follows:

- Loaded Home Loan – in the Home Loan Enquiry Form.
- Go Account – in the application form.

Ascenda (on our behalf) will validate the provided Velocity Membership details directly with the Velocity Program.

If the Velocity Membership Number is Valid, we will arrange for the total balance of Virgin Money Points in your Rewards Account to be converted to Velocity Points in accordance with section 5 below.

If the Velocity Membership Number is not Valid, we will contact the Eligible Customer to update these details within the Virgin Money app and re-try validation.

Velocity Membership and Velocity Points are subject to the Velocity Membership Terms and Conditions available at <https://www.velocityfrequentflyer.com/member-support/terms-conditions>. You can also call the Velocity Membership Contact Centre on 131 875 for a copy. The Terms and Conditions of the Velocity Frequent Flyer program may be amended by Velocity from time to time.

5. Auto-redemption of Virgin Money Points to Velocity Points

We will turn on auto-redemption to Velocity Points

Under this Offer, you agree that if you have provided your Valid Velocity Membership Number when applying for an Eligible Product, we will switch on the auto-redemption to Velocity Points feature in the Rewards Hub of your Virgin Money app, whereby your Virgin Money Points balance will be automatically transferred to Velocity to be redeemed for Velocity Points on the last calendar day of each month (“**Auto-Redemption Date**”).

We will change your auto-redemption option from Points to Cash to Velocity Points

Under this Offer, you agree that if you have provided your Valid Velocity Membership Number when applying for an Eligible Product and have the existing feature auto-redemption Points to Cash turned on, whereby your Virgin Money Points are automatically converted to cash to credit one of your Virgin Money accounts on the last calendar day of each month, that we will update your auto-redemption option to instead have your Virgin Money Points transferred to Velocity Points on the Auto-Redemption Date.

Auto-redemption to Velocity Points applies to your whole Virgin Money Points balance

Important – Please note that the auto-redemption to Velocity Points as provided in section 5 will also extend to any existing Virgin Money Points balance already in your Virgin Money Rewards account as at the Auto-Redemption Date.

Turning off and/or changing your auto-redemption selection

If you do not wish for your Virgin Money Points granted under this Offer to automatically be converted to Velocity Points, you can opt out of this auto-redemption feature yourself within the Virgin Money app at any time. This includes changing back to the option of auto-redemption of Points to Cash, or manually transferring your Virgin Money Points to Velocity Points at the time and quantity of your choosing. However, any change needs to be completed the day before the applicable Auto-Redemption Date.

- (vi) Each Borrower must be eligible to receive Virgin Money Points under the Rewards Terms.

Joint Accounts

The Offer applies for each Loaded Home Loan taken out by one or more Borrowers.

Where there is more than one Borrower, the amount of Settlement Bonus Points and Anniversary Bonus Points will be split and evenly allocated between the Borrowers.

Loaded Home Loan Offer Restrictions

BOQ Group Lending

This Offer is not available where any of the total loan amount proceeds are for the refinance, restructure, switches, or top-ups of existing home loans from Virgin Money or from other lenders within the Bank of Queensland Ltd (**BOQ**) Group.

Splitting your Loaded Home Loan

If you split your Eligible Loaded Home Loan after you Settle into two or more separate Loan Accounts, the following will apply for the purposes of Anniversary Bonus Points.

- The original Eligible Loaded Home Loan account will retain its Settlement Date and, if it remains an Eligible Loaded Home Loan, may continue to earn Anniversary Bonus Points.
- The new Loan Account created as a result of the split will not be eligible to earn Anniversary Bonus Points.

Top-Ups to your Existing Loaded Home Loan

If you increase the balance of your existing Eligible Loaded Home Loan ("**Top-Up**") after you Settle and no new Loan Account is created:

- The Top-Up does not change the original Settlement date for the purposes of payment of Anniversary Bonus Points under this Offer.
- The Top-Up after payment of Anniversary Bonus Points will not result in Bonus Points being awarded retrospectively for previous anniversaries.

Top-Ups to your Loaded Home Loan Through a New Loan Account

If a Top-Up results in a new Loaded Home Loan account being created:

- The new Loan Account will be treated as a separate loan for the purposes of this Offer, but will not be eligible to receive Settlement Bonus Points.
- Eligibility for Anniversary Bonus Points will be assessed by reference to the Settlement Date of the new Loan Account.

The original Loaded Home Loan account (if still open and eligible) will continue to be assessed for Anniversary Bonus Points using its original Settlement Date.

Switching from a Loaded Home Loan to Lite Home Loan

If you switch your Loaded Home Loan to a Lite Home Loan after you Settle, you will no longer be eligible for Anniversary Bonus Points under this Offer from the date your Loaded Home Loan account is closed.

Consolidating your Home Loans

If you consolidate multiple Eligible Loaded Home Loans into a single Eligible Loaded Home Loan:

- Anniversary Bonus Points under this Offer will only apply to the Loaded Home Loan account that remains open after consolidation.
- The date used to assess eligibility and award Anniversary Bonus Points is the Settlement Date of the Loaded Home Loan account that remains open after consolidation.

Default on your Home Loan(s)

You will not be eligible for Anniversary Bonus Points if, at the relevant anniversary date:

- (i) your Eligible Loaded Home Loan is 30 days or more in arrears, or
- (ii) you are otherwise in Default under any home loan contract you have with us.

External Refinancing of your Loaded Home Loan

If you refinance your Eligible Loaded Home Loan with another lender, your home loan with us will be closed and you will no longer be eligible to earn Points.
